

§ 204.10

shall be ordered in accordance with this subpart without further notice.

(b) *Travel advance.* The Commission will deduct outstanding advances provided to Commission travelers from other amounts owed the traveler by the agency whenever possible and practicable. Monies owed by an employee for outstanding travel advances that cannot be deducted from other travel amounts due that employee will be collected through salary offset as described in subpart B of this part.

(c) *Requests for offset to the Department of the Treasury or other Federal agencies.* The Chairperson (or his or her designee) may notify the Department of the Treasury of delinquent debts for purposes of administrative offset, and may request that a debt owed to the Commission be administratively offset against funds due and payable to a debtor by another Federal agency. In requesting administrative offset, the Commission, as creditor, will certify in writing to the Federal agency holding funds of the debtor that:

(1) The debtor owes the past due and legally enforceable debt; and

(2) The debtor has been afforded the necessary due process rights.

(d) *Requests for offset from other Federal agencies.* Any Federal agency may request that funds due and payable to its debtor by the Commission be administratively offset in order to collect a debt owed to such Federal agency by the debtor. The Commission shall initiate the requested offset only upon:

(1) Receipt of written certification from the creditor agency that:

(i) The debtor owes the past due and legally enforceable debt; and

(ii) The debtor has been afforded the necessary due process rights.

(2) A determination by the Commission that collection by offset against funds payable by the Commission would be in the best interest of the United States as determined by the facts and circumstances of the particular case, and that such offset would not otherwise be contrary to law.

§ 204.10 [Reserved]

§ 204.11 Jeopardy procedure.

The Commission may effect an administrative offset against a payment to be made to the debtor prior to the completion of the procedures required by § 204.4(a) if failure to take the offset would substantially jeopardize the Commission's ability to collect the debt, and the time available before the payment is to be made does not reasonably permit the completion of those procedures. Such prior offset shall be promptly followed by the completion of those procedures. Amounts recovered by offset but later found not to be owed to the Commission shall be promptly refunded. This section applies only to administrative offset pursuant to 31 CFR 901.3(c), and does not apply when debts are referred to the Department of the Treasury for mandatory centralized administrative offset under 31 CFR 901.3(b)(1).
